

# ECSG CONFERENCE TO BE HELD HERE

## SAC Hosts 125 Student Leaders from 7 Eastern Conference JC's

One hundred and twenty-five delegates from the seven Eastern Conference Junior Colleges will meet on the SAC campus October 14 when Santa Ana College hosts the annual Eastern Conference Student Government Conference.

The meetings are held each semester to discuss problems common to all Eastern Conference junior colleges. Under discussion will be such subjects as athletics, publications, social affairs, assemblies, publicity and public relations, student government conferences, AMS and men's activities, AWS and women's activities, finances and insurance, clubs and organizations, closer relations within the Eastern Conference, and student government.

### Workshops

Twelve workshops will be set up to talk over these and other pertinent questions with the duties of workshop chairman to be divided among the different schools.

A general session will be the first item on the agenda and following this the delegates will go to the workshops. Preceding the workshop session dinner will be held for the delegates in the cafeteria with entertainment by the singing choir. After the dinner SAC director Dr. Daniel C. McNaughton will speak to the delegates.

### General Session Held

A second session of workshops will be held following the dinner and another general session will follow the conference. During this time resolutions drawn up in the workshops will be presented. The delegates will also be afforded the

## Elsner, SAC Prexy, Attends Oceanside Planning Conference

Bob Elsner, SAC student body president traveled to Oceanside Tuesday to attend the President's Planning Conference, to plan an agenda for the coming Southern Regional Conference to be held October 21 at Fullerton. He was accompanied by John Johnson, SAC dean of men.

Student body presidents from over 30 junior colleges in the Southern California region attended the day-long conference held on the campus of the Oceanside JC. Junior colleges from the Metropolitan Conference, Western States Conference and the Eastern Conference were represented.

chance to use their parliamentary procedure and prepare themselves for the Southern Regional Conference October 21 at Fullerton and the State Conference November 20, 21, 22 at Hollywood.

Bob Elsner, SAC student body president will act as chairman of the general session and Jeannine Oaks will be secretary.

Las Doncellas will aid in registration and directing delegates about the campus. Workshop secretaries will be provided by the SAC business department.

## Western Colleges Ass'n Accredits SAC

Santa Ana College was this week placed on the Western College Association accredited list of colleges and universities, according to Mr. Daniel C. McNaughton, SAC director. This acceptance into the Western College Association list further extends the official status of SAC graduates.

This will facilitate acceptance of SAC grads into other institutions of higher learning throughout the United States. This will be especially helpful to veterans and graduates working for advanced degrees or applying for officers training courses.

## NOTICE

An important meeting of the Associated Men's students will be held this morning at 11:00 a. m. in room A-1. Election of officers will be held and movies of the 1949 Little Rose Bowl game will be shown. Bob Silvers, AMS president, urges all men students to attend.

VOLUME XXVIII SANTA ANA, CALIFORNIA, OCTOBER 10, 1952 No. 3

## Night School Has High Enrollment WESTERN THEME SET TONIGHT AS CHUCK WAGON SUPPER, RALLY, "SAGEBRUSH SHUFFLE" SCHEDULED

Enrollment for night school far surpasses the enrollment of last September's session. Over 1100 students are currently attending school in the evenings at SAC.

Additional instructors have been added to the faculty to take care of the increased student load. Nearly 50 teachers are currently employed.

Typing leads the enrollment with over 80 students. Shorthand and Spanish follow with more than 60.

## GET APPLICATIONS NOW FOR DRAFT DEFERMENT TESTS

Applications for the third series of the Selective Service College Qualification Test are now available at the local draftboard, it was announced this week in an official Selective Service office release. The tests will be given on the SAC campus December 4 and April 23, 1953.

It was emphasized that increasing manpower demands make it important that each draft-eligible student who has not taken the test do so during the next series.

To be eligible to apply for the college deferment test a student must intend to request deferment as a student, be satisfactorily pursuing a full-time course of instruction and must not previously have taken the Selective Service College Qualification Test.

Applications for the December 4th test must be postmarked not later than November 1 and must be mailed to the educational testing service in self addressed envelopes which will be furnished by the local boards.

All the food you can eat plus a rally and dancing with music by the "Debonairs" will be in store for SAC students tonight when the annual "Chuck Wagon Dinner" followed by the "Sagebrush Shuffle" will get underway. The festivities will start at 7:00 p. m. on the college baseball diamond.

## REGISTRATION UP 594 ATTEND SAC

Five hundred and ninety-four students have enrolled at Santa Ana College, according to Genevieve Humiston, registrar. This is a marked raise over last year's total of five hundred and seventy-nine at the same time last year.

Freshmen outnumber sophomores 291 to 187 sophs. Added to the total are 33 high school specials working towards their high school diploma and 38 post graduates.

Of the total, men outnumber women two to one.

## Campus YMCA To Reorganize

Plans for the re-organization of the YMCA will be discussed at a meeting today in Mr. Crain's office.

There will be a discussion on the selection of officers and future plans.

The Y.M.C.A. was discontinued last year because of lack of interest, but it is Mr. Crain's hope that it will re-organize this year and be stronger than ever.

During the course of the year plans are being made for dances,

Served by members of the campus YWCA and the Young Farmers, the dinner will be free to AS card holders and 75 cents to those who do not have student body cards.

A rally for the football team will follow at 8:00 with cheers being led by head yell leader Bob Merker and George Bartell and Chuck Campbell, assistant yell leaders.

At 8:30 following the rally, the "Sagebrush Shuffle" will begin. Gracie and the Debonairs will provide the music and the dance will be held in the Union.

Social commissioner Marilyn Larbelere urges all students to attend the affair. "Let's make this one of the biggest social events of the year."

The WAA and the Newman club are responsible for the dance decorations. The charge for the dance will be 30 cents to AS card holders and 60 cents without.

athletics, a dinner and many more.

Mr. Crain along with Mr. Andrus both hope to see a good Y. organized at the college, and both state that it is better to have four or five that are really interested rather than forty or forty-five that are not.

To quote Mr. Andrus: "If you're interested we would like to have you join, for we need a good strong Christian group on the campus."

ARTIST—Shown at work on one of his cartoons, George Bartell will gain work this year as DEL ANO art editor. He will be assisted by Eleanor Pettis who has been selected literary editor. Selections were made by Royal Martin, DEL ANO advisor at a recent staff meeting.  
—Photo by Burton

## Bartell, Pettis Head Del Ano; To Be Bigger, Better This Year

College yearbook advisor Royal Marten today announced the 1953 Del Ano staff will meet at his home October 25th for a potluck dinner and business meeting.

The staff, headed by art editor George Bartell, literary editor Eleanor Pettis, have chosen "Almanac" as the theme for this year's annual.

Although the budget has been reduced two hundred dollars, the yearbook staffers are hoping to add sixteen more pages and carry photos of every student in school in years past, individual shots of

only graduating sophomores were carried.

Photography will be handled by Doug Burton, Keith Matthews, and Doug Haddock, with Lynn Brown, Ellen Clark, Shirley Sanford, Sandy Walker, Toby Selindh, Ann Sloniger, Norma Rolins, Carol Purdie, and Nancy Hammaker rounding out the staff.

## PRESENT STUDENT UNION LOUNGE

## A "FOR MEN ONLY" LOUNGE?

"For Men Only."

Such is the atmosphere that now pervades the student union lounge.

Several women students have complained to faculty and executive board members that they are prohibited from using the lounge because the men students monopolize the furniture and conversation.

Insults and stories more appropriate to a Fourth Street pool hall now casually float through the air, and a place built for all Santa Ana College students is used by only a few.

Their actions and conduct have resulted in a recommendation before the student board that all the furniture be removed from the lounge and the union be closed to all.

Such may be the case if these students don't climb out of the cradle, clean up their speech and act like the college students they are supposed to be.

**COLLEGIATE**—Custodians Dorthea Campbell and LeRoy Rice wonder about the maturity of the people who leave their luncheon trash on the floor of the student union. This "hog pen" condition can be seen any afternoon of the week. —Photo by Bill Wells

## Too Much Trash? Eight Say Yes In Interview

Here are just a few viewpoints on the trash problem in the student union and lounge.

**Jack Dales**—"The fellas who eat their lunch in the lounge should get rid of their own trash, instead of leaving it on the floor and furniture. Otherwise, close the union down."

**Joyce Catherina**—"If the students don't want the school to look like a drag, they should be willing to take a few extra steps to a trash can!"

**Kent Anthony**—"Add some more trash cans. Right now the students are lazy, and should do a better job in keeping the place clean."

**Beverly McWhorter**—"I think it is hopeless. Try a few more waste baskets in the lounge and patio. Otherwise, close it up."

**Joyce Doss**—"The whole place is a mess. Someone ought to wise the guys up that leave the patio and union that way."

**Fred Preble**—"Why should the janitors have to clean up all this trash left by the students?"

**Kathy Sloper**—"I wonder what these guy's rooms look like if they act the same at home?"

**Joe Santoro**—"Give these people 24 months in the Army and they'd never leave their trash around again."

## EDITORIAL

**THE STUDENT UNION IS A MESS AND A DISGRACE TO SANTA ANA COLLEGE!**

This is the verdict passed this week by three hundred SAC students who have pride in their college and the student lounge. They have come to question the conduct and intelligence of a group of individuals who leave a littered, disordered room at the end of the day.

A glance will show upset ash trays, scattered sandwich wrappings, spilled coffee cups, empty milk cartons and sorted trash carelessly left on the floor of an \$84,000 building.

In addition to this, furniture that cost the Associated Students over seventeen hundred dollars in repair and refishing last year is already being destroyed by those who find that springing up and down on the sofas is the last word in having a good time. One such sofa was removed with a broken back and ripped under covering. And muddy footprints can be found on the cushions of these chairs.

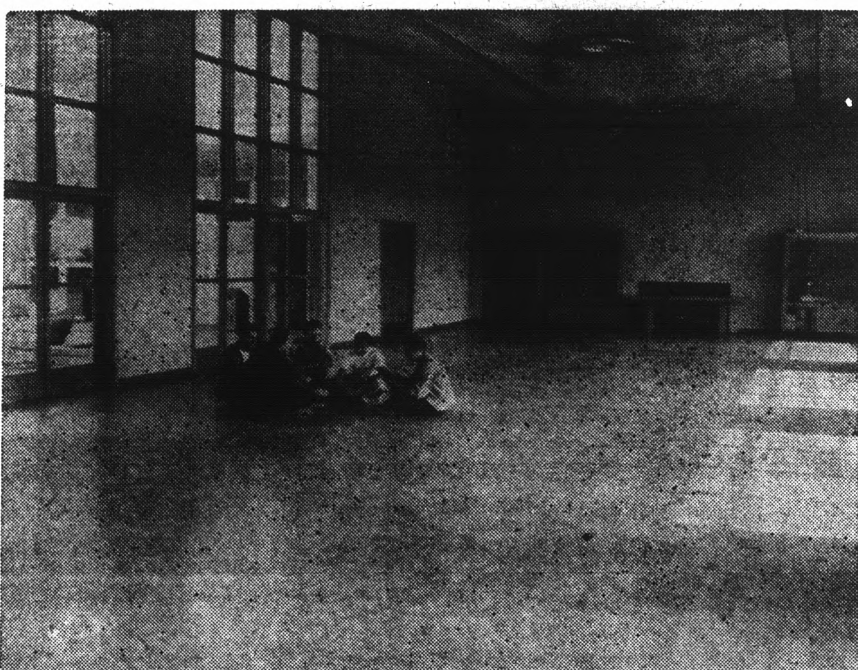

In 1948, the Student Union and lounge was built with the idea of the college showplace, where Santa Ana civic organizations and others interested in the school could be taken to see what student money had built.

Yet now a few are abusing this showpiece. And the rest of the students are paying for it, in dollars and prestige.

What are you going to do about it?

## Take Furniture From Lounge Is Alternate Solution Says Elsner

A student union lounge minus furniture is not a pleasant place for SAC students to spend their off hours, yet according to AS prexy Bob Elsner, the Don student body might have to face such a situation.

**IT CAN HAPPEN AGAIN!**—The above was the scene in the lounge last year when the AS executive board removed all furniture to prevent further damage. —El Don Photo

Last year, the AS executive board removed all chairs and tables from the lounge as it was being damaged and misused by a few individuals. This furniture was repaired during the summer months to the tune of seven hundred dollars, with a major portion of this repair bill coming out of student funds.

Elsner emphasized that the Associated Student budget is not equipped to stand another such expenditure, and that the furniture will be taken out indefinitely if it is again misused. Last year a large sofa was removed from the lounge with the supporting braces broken, the lining ripped and the back sprung.

It was further pointed out that the Associated Student head thought not all junior colleges have a student union such as the one here, as eighty-five thousand dollars was spent building it.

## THE LOUNGE AS IT COULD BE

## Procurement Team Visits SAC; USMC Offers Deferment

The Marine Corps Officers Procurement team recently visited the SAC campus to discuss with SAC Director Dr. Daniel C. McNaughton the Marine Corps Officer Training program offered college students.

Qualified undergraduates seventeen to twenty-six years of age can enroll in the Platoon Leaders class. They will attend two summer training periods of six weeks each and will be classified 1-D by Selective Service and permitted to remain in college for the time required to graduate. After graduation they will receive their second lieutenants' commission.

Captain McCarty, Procurement officer, pointed out that under the present Selective Service laws a student, to be deferred from the draft, must be enrolled before orders for induction are mailed. A student who wishes to enroll in the Platoon Leaders class must furnish a photostatic copy of his birth certificate under seal of office of issue; statement from college authorities as to academic standing; two passport-size photographs (one full face and one profile); three letters of recommendation from responsible citizens; and documentary evidence of honorable discharge from the service (if applicable).

Additional information may be obtained by writing Captain McCarty at 755 South Figueroa street, Los Angeles, California or by visiting the local Marine Corps Recruiting Office.

S executive chairs as it misused his furniture the sum of seven hundred and thirty dollars.

that the budget is another source of the fund at indefinite d. Last we moved from the supporting rippling.

## Eight Hour School Day

## DOUGLAS EMPLOYEES ATTEND SAC; CLASS IN SUB ASSEMBLY OFFERED IN TWO-WEEK TRADES COURSE

A two week course in blue print reading, layout work, riveting and drilling are offered to employees of Douglas Aircraft Corporation at SAC.

The course, open to both men and women, is a complete class in sub-assembly that will aid them during their employ

at Douglas. The course is also open to anyone in the community who is interested.

Mr. J. D. Casper, a Douglas employee on leave of absence from the plant, is instructor. He also holds state teaching credentials. He is assisted by Mr. D. R. Kelly.

Men who attend the course are 18 or over and the women range in age from 21 to 25 years of age. The classes range in size from 15 to 45 members.

Classes are in session from 8:00 a. m. until 4:30 p. m. with a half hour for lunch. The students that are employed by Douglas receive their normal wages while attending school.

## QUONSET HUT USED EXCLUSIVELY BY SAC AUTOMOTIVE TRADE

As a new innovation in the ASC trades program the quonset hut will now be used exclusively by the automotive trades department.

The automotive trades is divided into three groups: Body and fender work, a class in engine overhauling and one in automotive machining.

The more advanced students work in the body and fender repairing class. Here they work out the dents on the fenders of and customize their cars by leading

## Bagdad Revisited

## PLAY 'ALLADIN'S LAMP' COMBINES COLLEGE, HIGH SCHOOL ACTORS IN INITIAL DRAMA PRODUCTION

Indian princes and the slave girls of a thousand and one Arabian Nights will appear on the stage of the Santa Ana high school auditorium October 22 as the drama departments of Santa Ana College and Santa Ana high school combine their talents to present "Alladin and His Wonderful Lamp."

Sponsored by the Orange County chapter of American Association of University Women, the play will have a 3:30 performance for Santa Ana elementary school children and a 7:30 showing for adults.

### Elaborate Costuming

Directed by C. L. Ford, drama instructor here, the play will use elaborate costuming and unusual lighting effects to present the illusion of the Bagdad of the story-books.

The title role of Alladin is taken by Dean Wills, while Joyce Catharina portrays Alladin's mother, Nan Love plays Princess Badroulbador, and Bob Merker is the Sultan. The part of the magician is played by Clyde Wilson; Joanne Gruver is Noona, attendant of the princess; Bill Sims plays the Genie of the Ring; Tom Moore portrays the Genie of the Lamp, and Kalissa is Lynnette Brown. The parts of the slave girls are taken by Jeannine Wilkenson, Virginia Hoff, Barbara Brown, Margie Menefee, Roma Van, and Jean Willoughby.

### Former Students Assist

Two former Santa Ana College students are assisting in costume design and scenery. They are Bob Williams and Elizabeth Elliot, who also is directing the slave girl sequences. Five or six extras will be taken from the SAC student body.

Admission for the 7:30 showing is seventy-five cents.

## NEW ANIMALS ADDED TO SAC ZOOLOGY LAB

Mr. Russell Bruff has an interesting new selection of animals in his laboratory. Such choice items as a tarantula hawk wasp, California toads, bullfrog, tadpoles, and a desert tortoise are currently to be seen if one happens by building M.

Mr. Bruff says that he anticipates no differences in procedure with his class work from last year, only slightly different approaches to certain areas of study.

## Garden Clubs Tour SAC Campus; Herb Exhibits Featured

Eighteen Orange County Garden clubs toured the SAC campus, and attended a luncheon in their honor last Monday in the SAC cafeteria. The members also heard a talk by SAC director Dr. Daniel C. McNaughton and saw an exhibit of herbs arranged by the Orange County Herb Society.

Dr. McNaughton in his address said that schools and gardening are closely related and cited the saying "As the twig is bent the tree is inclined." He further stated that since arbor day was inaugurated schools all over the world have been the major observers of arbor day.

## SAC Dons, Saints Orchestras Join

The SAC orchestra will combine with the Santa Ana High School orchestra to form one unit that will perform in concert locally. The two bands will also be combined for public appearances.

The combined bands received superior ratings at last year's School Band and Orchestra Association meeting in Santa Monica.

The two units will also appear at the Association meetings again this year.

The band that appears at the SAC football games is composed of only college students, stated Mr. Gordon Wheatley, musical director of the school. Mr. Wheatley will conduct the combined bands while Mr. Douglas Lamont of the high school music staff will lead the orchestras.

Janie Barger, from Santa Ana, is the blond young lady that is starting her second year as mascot of the band. She is seen twirling her baton at each of the band appearances.

## WAA News

Five WAA members from Santa Ana will attend the AWS and WAA Conference at Long Beach City College November 1. All Southern California junior colleges will be represented.

Listed on the agenda are two general meetings and section workshops. The main purpose of the conference is to get the members from the various colleges together in order that they may share ideas and discuss problems.

Those from SAC who will make the trip are Nancy Stevens, Selma Busdieker, Velma Busdieker, Kitty McNillan, Ester Valles, and Miss Isabelle Rellstab, faculty advisor.

The Women's Athletic Association picnic scheduled for October 14 has been cancelled and will be held at a later date, as yet undecided.

Basketball practice started recently with a turnout of twenty-two girls. Ester Valles was chosen manager.

The WAA is in charge of decorations for the "Sagebrush Shuffle" which will follow the chuck wagon dinner.

If the student council approves, Nancy Stevens, Donna Wacker, and Eleanor Pettis will sell cokes and candy at home basketball games.

The following is the 1952 WAA basketball schedule:

Oct. 15—Orange Coast (there).  
Oct. 22—Mt. San Antonio (there).  
Oct. 29—Long Beach CC (here).  
Nov. 5—Citrus JC (here).  
Nov. 7—Play Day at El Camino.  
Nov. 12—Orange Coast (here).  
Nov. 19—Fullerton (there).

## '52 Conference

## Cross-Country

## Track Schedule

Oct. 10 (Friday)—San Bernardino at Riverside.  
Oct. 17 (Friday)—Orange Coast at Santa Ana.  
Oct. 25 Saturday—Invitational meet at Mt. San Antonio.  
Oct. 31 (Friday)—Chaffey at Riverside.  
Nov. 7 (Friday)—Riverside at Riverside.  
Nov. 13 (Thursday)—Mt. San Antonio at Mt. San Antonio.  
Nov. 21 (Friday)—Conference meet at Riverside.  
Nov. 25 (Tuesday)—Southern California meet at Glendale.

## League Gridsters

## Run Rampant In Practice Tussles

Off early season performances, the best balanced play in Southland jaycee circles is that flashed on Eastern Conference gridirons.

No less than six teams, including Santa Ana, boast clean slates.

Highly-touted San Bernardino, held to a 7-7 standoff by Compton, got into the win column last week by downing San Diego JC 20 to 10.

## Pirates Show Strength

Orange Coast showed surprising strength in swamping San Mateo 42-0, the victory was the Pirates' third in as many outings. Muir and Harbor were the other victims, losing 7-2 and 20 to 0.

Riverside is the conference dark horse. The Tigers outlasted LACC 12-7 in their opener and tripped up San Diego 12 to 0.

Winners of three practice tussles, Fullerton dumped Citrus 27 to 20, whipped a weak Redlands University eleven 20-7, and nosed out El Camino 14-13.

## Mt. SAC Unbeaten

Mount San Antonio rounds out the unbeaten list. After disposing of the Alumni 6 to 0, the inlanders and Ventura fought to a 13-13 tie. The Mounties came back to wallop Taft JC last weekend 55 to 13.

Chaffey wound up in the conference cellar last year and again this season the Panthers appear to be in a class by themselves. In their first time out the Panthers were routed by East LAJC 28 to 0, Pasadena manhandled them 61 to 0 one week later. Chaffey scared nobody in trouncing Cal Poly 48-7 on Friday.

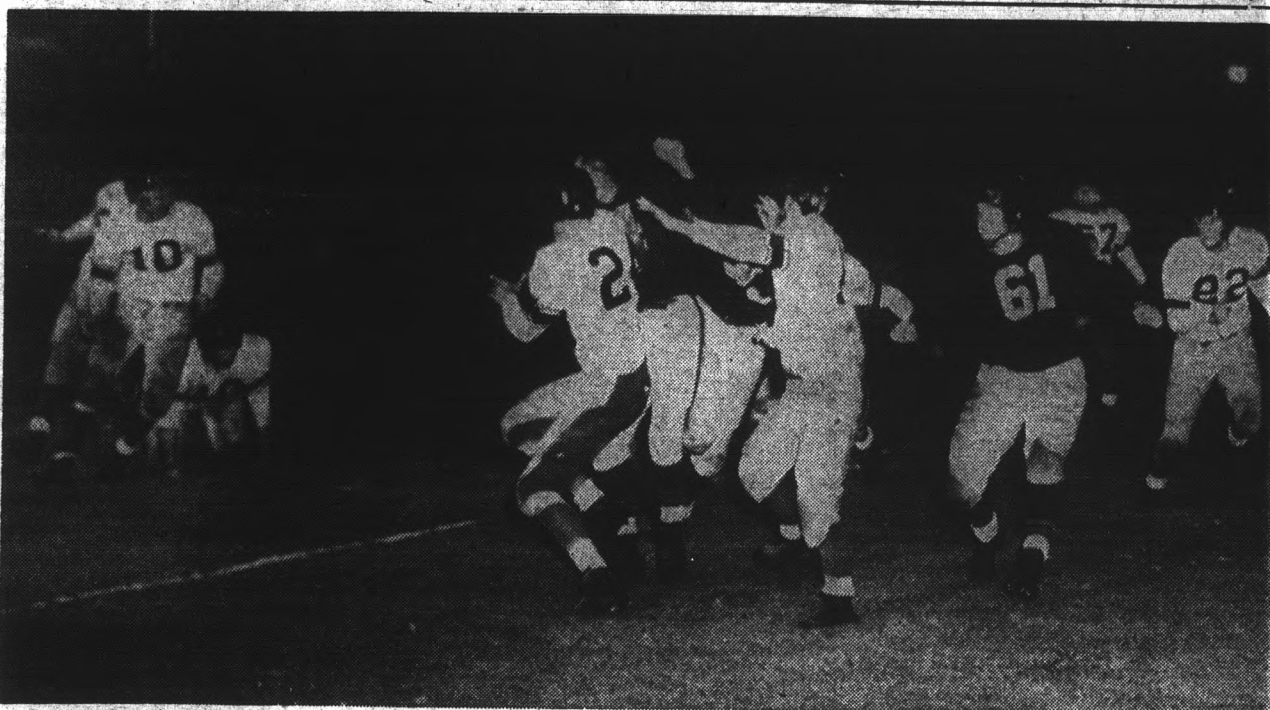

## Huesca Chosen

## Don of the Week

On the basis of his sparkling performance against Long Beach City College, defensive halfback Augie Huesca was picked Don of the Week in Vandermast Clothing Store's weekly poll.

The 141-pound speedster from Anaheim intercepted three Long Beach passes, only one less than the Viking tossers were able to complete.

Huesca also had a 43-yard run-back of a stray aerial nullified when a teammate was detected clipping. The play was good for a touchdown and would have won the game for SAC.

PARDON ME—Santa Ana and Long Beach City College players mingle as Viking pass attempt broken up in fourth quarter. The Dons held Long Beach to a 0-0 tie. —Photo by Keith Matthe

## SAC Distance Pacers Rounding Into Shape

Shooting for their third straight cross-country title after being inactive last season, coach John Ward's leather lungers are busily rounding into shape.

The thin-clads will be out to dethrone Riverside, last year's conference champions.

SAC's debut will be made on October 10, at 4:15 against San Bernardino at the hilly Riverside course. Arrangements are being made for a practice meet in the near future against either Orange Coast or Fullerton.

The course distance is 5,000 meters and includes many obstacles, such as climbing hills, running across ditches, and sometimes jumping fences.

## SANTA ANA, LONG BEACH CC BATTLE TO 0-0 STANDOFF SAT.

Two undefeated teams, Santa Ana and Long Beach City College, hooked up in a rugged defensive battle Saturday night at Long Beach with the fracas winding up in a scoreless deadlock.

Santa Ana crossed the goal line in the second period when Augie Huesca returned an intercepted pass 43 yards for a touchdown, but the play was called back on a clipping penalty.

The Vikings muffed a chance to go out in front in the first quarter but were held on downs on the SAC five after having first and goal to go on the nine.

## Vikings Threaten

Long Beach, held in check since their opening period drive, threatened again in the final stanza. With a first down on the Don-35-yard line, Glenn Gillies broke free to the 20 where he fumbled and Roger Hillman recovered to halt the march.

A defensive standout throughout the game, Huesca swiped a Viking aerial on the Long Beach 45 and sped 18 yards to the 27 with less than two minutes left

in the contest. Bob Smith could hit his receivers and the Nor men took over, only to relinquish the ball a few plays later. Ag Smith took to the air and failed to connect and the game ended.
